AIB2B
ENGAGING QUALITY PROFESSIONALS TO IMPACT COMMUNITIES

OUR MISSION IS SIMPLE

CHARITABLE
Connecting our members with the most high-integrity charities to perform "random acts of kindness".

CULTURAL
Pushing for fair representation of Asians in print, online, movies and television, ending negative stereotypes.

POLITICAL
Pushing for more Asian Americans in government, furthering our family and pro-business values.
September was a busy month but October will be even busier as we have volunteer opportunities with Santa Claus Inc and the Education Fair in Yucaipa. Please join us for these events.

In September, we had a great event with Assemblyman Thurston Smith, our bi-monthly networking mixer at Raw Cantina and a nice member tour for St Camillus, the original General Hospital location.

Mail in ballots should be coming in. We heavily endorse common sense candidates, and encourage to vote against the incumbent party when possible, but vet those Republican candidates carefully. But we stand behind Democrats Alex Villanueva and Rick Caruso for Sheriff and Mayor, respectively.

This month, AIB had a second tour of St. Camillus Center in Los Angeles.

St. Camillus is a network of Catholic chaplains that collaborate with the other chaplains of the Interfaith Chaplaincy Center. They provide hope and healing to anyone looking for help including those at the USC School of Medicine. It was even featured in an episode of the hit TV show General Hospital.

 Lots of networking at our September business mixer, once again at our member restaurant Raw Kitchen & Cantina in Rancho Cucamonga. Delicious Asian Mexican fusion, and everyone got to stand up and talk about their business over the PA System. If you work in the area, join us every other month as we network and Foodie out.
Marc Ang had lots of AIB2B members and friends from the local community over to hear Assemblyman Smith talk about protecting property rights and rural homesteads. We even had a helicopter land to join us.

Due to LA Port Congestion, trucker shortages and fuel charges continually increasing, Port Alliance would like to introduce our Truckload Secured Program. Please see our flyer and rate sheet.

The truckload space is limited and first come first serve. (100 ctr per month). If this program is good for your shipment, please book with us in advance so we can reserve the space for Xiamen Supertrans Logistics Co., Ltd. (Xiamen, Head Office).

Please note that we also service cold storage needs in the Pacific Southwest of California, Nevada, Arizona and the rest of the west coast by utilizing different sizes of equipment from 20’ bobtails to reefer 53’ trailers and a facility equipped with a large freezer, large cooler and a temperature-controlled loading area for storage and consolidation.
