Quality Professionals. Cultural. Charitable.

Volume 3, Issue 5

Dear AIB2B Supporters:

Founder's Message

Marc Ang

April was jam packed with events. It was also month where we welcomed many new members, officially over a dozen.

Our main mixer this month was once again to feature the movie "Trafficked" in South Orange County where hundreds attended. We continue to refine this format, our third one, and our next one will be this month on May 18th, in Fullerton at Dongshin church, where we welcome many VIPs, such as Senator Ling Ling Chang and LA Supervisor Kathryn Barger's office. Both do a lot for this cause.

We continue to educate members of the community on the sex education changes, as our organization takes an important stand that our society needs to prioritize and focus on quality education. Our Walnut event drew over 100 people and our Santa Ana event earlier in the month, around 80.

We also started up our "Overweight and Malnourished" series, featuring our members Mike Pestano, Sherill Franklin and Raziel Arcega, who are dedicated to educating the community about nutrition and healthy living. We have now booked a fair in Buena Park at the Source OC on October 19th (Save the date!).

Speaking of, we threw a great Indonesian cultural celebration on April 26th at the Source and featured the great works of Livi Zheng and Nyoman Wenten, pioneer in gamelan music.

Expo is just a month away on June 12th. Get your booth as spaces are filling up and we have an awesome program showcasing our innovative businesses and giving incentives to our businesses to be philanthropic by sponsoring a nonprofit booth.

Sign up as a member or sponsor today so you don't miss out! We also thank Southern California Edison this month for their financial support.

4/2: Santa Ana - Sex Education Info Session

A powerful event bridged the Asian, Latino and African American communities to discuss this issue with speakers from various groups speaking about the sex education issue. AIB2B dares to take a stand on pro family and pro quality education values. Thanks to Pastor Gale Oliver for hosting us at Greater light Missionary Baptist Church, and to speakers Gina Gleason, Pastor Jinah Yi of Irvine and local community leaders, Araceli Justinani and Rosie Avila, as well as the Lincoln Club of Orange County for sponsoring the event.

4/6: "Trafficked"

Another great event with over 120 attendees hearing from an informative panel, watching the powerful movie "Trafficked" which presents many entry ways into the trade, and welcoming survivor Shari Ho, who was sold into slavery at age 7. Hear from Shari again on May 18th in Fullerton at noon at Dongshin Church.

4/16: Overweight and Malnourished

Our first health and wellness event was an overwhelming success. This educational lunch was an hour of jam packed learning and delicious food.

AIB2B Member Mike Pestano, who lost 107 pounds and fought back Type 2 Diabetes, shared some important secrets and prepared delicious wraps with healthy ingredients and different kinds of smoothies.

AIB2B Member Sherill Franklin shared skin friendly beauty products and busted some myths about nutrition and wellness.

Thanks Raziel Arcega, our ambassador and active member, for making sure everyone got fed!

4/20: AIB2B Go Green Earth Day Beach Clean Up

AIB2B was excited to go green on 4-20 for this Earth Day event and to partner with Save The Beach through our director, Pete Amundson. Thanks to everyone who came out and helped, including our new Relationship and Operations Manager, Ryan Hoskins.

4/23: Walnut Sex Education Update

Getting the word out to Chinese parents was our main goal for the event. Special thanks to venue host On A Mission Church, and speakers Gina Gleason and translator, Saga Zhou and all the pastors who spread the word from the various churches in Walnut and Diamond Bar.

4/26: Indonesian Cultural Event

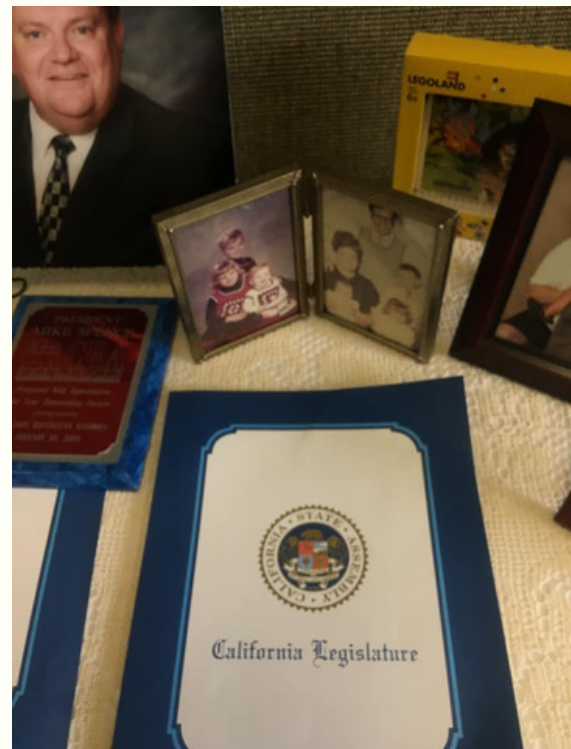

AIB2B celebrated the Indonesian music of gamelan, which has been used in movies such as Avatar. Thanks to Livi Zheng, producer of this movie and Julia Guow, executive producer, who invested resources to shine the light on the talent of Nyoman Wenten, who promotes the music of gamelan, teaching it to proteges like Brandon, who he brought along to perform for us. Great screening. Great music. Thanks to Young Kim for joining us and securing a fun location at the Source OC.

4/27 Mayor Mike Spence, we love you and miss you.

A dear friend and member of our organization, Mayor Mike Spence, passed away. This was a tremendous loss and sad news for us. Mike supported so many of our efforts through action not words, and he has been a principled voice for the City of West Covina. Mayor Mike Spence, we love you and we miss you.

THANK YOU WELLS FARGO

FOR BELIEVING IN OUR MISSION
INSPIRING US TO BEGIN IN 2017
GUIDING OUR GROWTH IN 2018
& MAJOR FINANCIAL SUPPORT IN 2019.
WE HOPE TO CONTINUE MAKING YOU PROUD

Sincerely,

DID YOU FIND KITTENS?

Follow these steps so that everyone is a winner!

WAIT!

Don't move the kittens just yet! If the kittens are in a safe location it's very possible that mom is out looking for food or hiding nearby watching over them. The kittens are safest with their mom at least until they are eating on their own.

WATCH!

To keep the kittens safe, keep an eye on them but don't get too close as this may scare mom away. She should return in about 4 to 6 hours to feed and care for her kittens. Kittens do not need to be with their mom constantly.

If mom returns

If mom does not return

Kittens should only be picked up if they are unsafe and you have determined mom is no longer caring for them. You can bring them to OC Animal Care where they will be evaluated and if possible entered into our Foster Program. Becoming a foster home saves lives!

WIN!

By waiting before intervening with found kittens everyone wins!

Here are a few of the reasons why:

- If the kittens are 'kit-napped' Mom will lose the ability to provide essential nutrients and early socialization
- Bottle kittens are resource and time intensive and many shelters do not have the ability to care for them
- Kittens are given a better chance of survival!

Joining a foster program and/or caring for kittens until they are eating on their own greatly improves their chance of survival. OC Animal Care can provide some supplies for bottle feeding fosters! Check out our website or email foster@occr.ocgov.com for more information!

BOARD STUFF

Thank you, Wells Fargo, for believing in our mission, inspiring us to begun in 2017, guiding our growth in 2018 and major financial support in 2019.

Congrats to Pete Amundson for joining the leadership of OC Animal Care. It is kitten season and there were Over 50 orphaned kittens that have arrived at OC Animal Care in the last few days. Let's work together to make sure these animals find a forever home.

POLITICAL

Asian Industry B2B had an excellent afternoon spending time with Better Angels for a workshop bridging the divides between red and blue. Putting nuanced and thoughtful discussion of issues and practicing collaboration is the way to go for California and for our country.

Marc Ang had an early morning discussion with the Yorba Linda City Councilwoman Peggy Huang who is running for Congress. We support a Chinese American voice in Congress for us. Go Peggy!

Great to mentor the young adults at the amazing OC Eagle Forum who have been our good friends for many years. We are proud of Turning Point USA and CFCR chapters who spoke alongside us. Looking forward to furthering our pro free market and pro-family values.

An incredible evening of Prayer Meeting led by Pastor Peter Sohn of Bethel Church, with special testimony by Ms. Young Soon Kim, a North Korean defector who survived Yoduk Political Concentration Camp. She has previously testified before U.S. Congress and United Nations.

COMMUNITY / CULTURAL

Proud of our great friend Sharon Wong who is being installed as the new President of Chinese American Citizens Alliance Greater San Gabriel Valley. What a mouthful dinner by NBC Seafood!

"Halt The Assault" in Riverside. Hearing the stories of survivors of trafficking, encouraging strength and working with men to empower women. Thanks STREET POSITIVE for bringing people together.

Marc Ang had dinner with our new member Dustin Lam at Yu Garden Chinese Cuisine. We now have a May 7th event featuring this restaurant with SoCal Comida and new member Carlos Muniz.

It was such an amazing evening with our friends from the Temecula Valley at the Oak Grove gala. What a beautiful event with great food from various vendors. Thanks to Bob and Mona Davies for their work at this school supporting STEM, and Pattie Roberts of STAT Horse Sanctuary for your years working with Oak Grove Center which helps at risk youth.

Marc Ang enjoyed the Crypto Invest Summit with members Allan Sheu and Casio Shyn.

Betty Tom Chu and Marc Ang supported ABAOC's mixer at the Old Crow Smokehouse in Orange.

So proud of our member Pat Cabaldon and Larry Cabaldon with Boardroom Performance Group on their 4th annual global unity summit conference.

Lany Indrawati had a lot of fun at the celebration of annual Thai new year Songkran festival.

Raziel Arcega, Dustin Lam, Terry Fitch and Marc Ang supported "Taste of Chino" at Chaffee College.

FAITH COMMUNITY

Thank you very much to OC Irvine Guan Yin Citta for throwing a great program on Alzheimer's and dementia for the Chinese community in Irvine. Thanks for everything you do for our community.

Asian industry B2B joined another great Walnut pastors meeting with Karen Ogawa of the city of Walnut to help ensure a successful mayors prayer breakfast. Thanks St Lorenzo Catholic Church for hosting.

Thanks for Groundwire for doing amazing work saving young people that are struggling and attempting to suicide. So happy to support them for evangelizing those in need.

Marc Ang and our good friend Gina Gleason chatted with old friend Jack Zhou about our efforts educating the community about the current curriculum changes at EDI Media.

FOR IMMEDIATE RELEASE

ASIAN INDUSTRY B2B ENDORSES SENATOR LING LING CHANG & INVITES THE PUBLIC TO IMPORTANT FUNDRAISER
Friday, May 10, 2019 - 6:00 pm - 9:00 pm @ Sheraton Cerritos 12725 Center Ct Dr S, Cerritos, CA 90703

About Ling Ling: Senator Ling Ling Chang, who represents the 29th State Senate District, covering cities such as Diamond Bar, Rowland Heights, City of Industry, Walnut, West Covina, Anaheim, Brea, Buena Park, Cypress, Fullerton, La Habra, La Palma, Placentia, Stanton, Yorba Linda and Chino Hills, is running for re-election in 2020 after losing narrowly in 2016 and then winning a successful recall effort in June 2018 that ushered her into office as a taxpayer's and business advocate, keeping a powerful check to the majority with her election.

About Event: Senator Chang throws a fundraiser in Sheraton Cerritos to help with her 2020 re-election. Individual tickets are \$300 and couple tickets are \$500.

AIB Endorses Senator Ling Ling Chang for Re-Election: Senator Ling Ling Chang has consistently proven through her voting record and community actions that she aligns with the Asian Industry B2B mission and values.

Human Trafficking - Ling Ling's efforts and vocal support of efforts against human trafficking have made her a natural fit for our organization, which is a leader in local efforts and awareness. Led by our ambassador Conroy Kanter, producer of the movie "Trafficked", we have thrown five events in the last year in Los Angeles, Orange and San Bernardino Counties to hundreds in attendance each event. Ling Ling will be at our May 18th event in Fullerton.

Taxpayer Advocacy - Since her Assembly days, Ling Ling has been a consistent voice on taxpayer advocacy, evidenced by her voting record and stellar ratings from the Howard Jarvis Taxpayers' Association and California Taxpayers' Association, as well as support in the recall of her predecessor by KFI radio, and specifically radio personalities, Jon and Ken.

Tough on Crime - A growing problem in our Asian American cities in Southern California is the increased crime such as vehicle and home break-ins. Ling Ling has glowing reviews and support from law enforcement, our first line of defense. This is especially important as we deal with laws that are lessening the consequences for law breakers.

Family Focus - Capitol Resource Institute, one of our trusted partners, gave Ling Ling a 100% rating on her positions. Ling Ling has also demonstrated family values by taking a stand on the changes in the sex education curriculum and a focus away from academics in the public school system, such as her work on SB-673.

Overall Picture - Asian Industry B2B has a pragmatic big picture focus on elections and endorsements that goes beyond a single candidate. In a state that is so controlled by one political party, we believe balance is key to good governance and Ling Ling has proven that she can work with the minority to serve as an important check and veto voice against a supermajority legislature that is not aligned with AIB2B and Ling Ling's shared values of meritocracy, safe neighborhoods, quality education and lower taxes.

About Asian Industry B2B (AIB2B): AIB2B was founded for businesses and professionals in the City of Industry and surrounding cities to gather once a month, every second Wednesday and has since expanded beyond the SGV into Orange County and the Inland Empire. The mission was to build an intimate network of quality professionals, fostering meaningful collaborations. We engage our membership in cultural and charitable activities – enriching business owners' lives and supporting a platform to elevate the Asian American community through local business leaders.
