CANCER CONFERENCE

NIXON LIBRARY | YORBA LINDA, CA

On December 1 and 2, the Richard Nixon Library hosted a two day cancer conference sponsored by the City of Hope to commemorate the 50th anniversary signing of the National Cancer Act of 1971 which provided federal funding of cancer research.

The Nixon Library invited distinguished Nobel laureates, cancer center directors, clinicians, researchers, and political and public health officials to assess the past, analyze the present, and envision the future of cancer treatment and research.

On the first night, the Nixon Library hosted a free dinner and panel discussion for the community to learn about the impacts of this landmark legislation. On the second day, it was a lunch provided by UCI Health. To learn more, please visit nixonfoundation.org

"PAINT A HEART" ART EXHIBIT

WESTMINSTER, CA

On December 16, AIB members attended a charity event "Paint A Heart" presented by Stable Anchor Manor Foundation "S.A.M." founded by Dr. Sam Nguyen (pictured second from the right on the third picture).

Over 100 Vietnamese artists participated by donating their art for purchase to raise money which will be used for homeless and at-risk youth.

Westminster city is home to one of the largest Vietnamese populations in California. It was a chance for the community to gather to raise awareness and give back to the next generation.
